

**A COMMUNICATION**  
**FROM YOUR**  
**GOVERNANCE COMMITTEE**

1. We are currently compiling values – for assets, investments and liabilities(including loans or otherwise) for all four Pastoral Charges. Working together as your representatives, we will be looking for a more accurate financial overview for 2011.
  
2. Building appraisals are being requested for all buildings in order that we might have a more accurate picture of the 'fair market value' of each. Assessments will include all properties currently under the governance of:
  - Canard/Trinity Pastoral Charge,
  - Kentville Pastoral Charge,
  - New Minas Pastoral Charge
  - and Wolfville Pastoral Charge.
